Parent Association Meeting

Thursday, Feb. 11

6:00 pm

President Ryan Walker will conduct and give update on legal status as well as organize committees for upcoming school fundraiser.

We are wanting to continue the play ground improvements and provide for new financial issues of the school. Please plan to have at least one parent in attendance for this important planning meeting. A volunteer for child care is also a huge welcome!

Chinese New Year Celebration

Chinese Dress!

To conclude our Asia studies this year, the children would like to have a New Year Celebration. The Transitional and Elementary children will be working on a dragon head to perform a dance for the younger students, who will provide traditional "noise". All students are welcome to wear Chinese dress for the day. We will also be ordering "Chinese take-out" for lunch (usual charge of \$3.00). Happy New Year!
